## OVERVIEW

The Malta International Training Centre (MITC) is dedicated to the provision of continuous education and training to the professional services industry.

## Who we are

Founded in 1981, the Malta International Training Centre acquired international repute in a variety of training fields particularly in Insurance, Money Laundering, Risk Management, Financial Services, Investments, Compliance and Regulation. With over 40 years' experience, MITC is geared to meet the demands of the modern participant, offering a professional training environment and highly experienced trainers, hailing from the industry.

## Mission & Vision

The Mission and Vision of the training centre can be summed up into three key statements:

- > To provide an International Centre for Education and Training that caters for professional requirements.
- > To assist participants studying Insurance, Risk Management, Financial Services and other related studies.
- > To further increase the professional status of practitioners both in the indigenous and international markets.

## Qualifications

MITC is licenced under the Education Act 1988 and enjoys level rating recognition from the Malta Qualifications Council and thus its home-grown products are equivalent to specific levels on the Malta Qualifications Framework and the European Qualifications Framework platforms. MITC's homegrown insurance programmes are also recognised by the renowned Chartered Insurance Institute, UK.

Malta International Training Centre Limited (C5663) is an EMCS Advisory Ltd affiliated entity.

# ACII (Advanced Diploma in Insurance)

Give yourself the best chance of success

MITC is pleased to launch a course aimed specifically at students seeking to complete their ACII accreditation.

**Starting:** March 2024

**Duration:** 12 hours per module (delivered over 8 sessions – one session of 1 ½ hours per week).

**Achievement** - Upon completion of this qualification the successful participant can apply to use the designation ACII as a professional title. This is highly respected throughout the industry and increasingly acknowledged as demonstrating a professional standing.

**About the Course** - This is a tutor-assisted learning course that focuses on providing participants with the structured approach and logical process to successfully complete the required case studies through a hands-on approach (on other case studies). The assignment-based course has been designed to assist you in putting into practice your knowledge and understanding of the technical material and also your ability to interpret and apply this information to practical scenarios.

## MODULES that will be covered

Advanced Underwriting (960)	Advanced Claims (820)	Advanced Insurance Broking (930)	Marketing Insurance Products and Services (945)	Insurance Corporate Management (990)
-----------------------------	-----------------------	----------------------------------	---	--------------------------------------

It is expected that participants dedicate a further 50 hours of self-study per module consisting of reading, research, undertaking of assignments.

**Assessment** - The exams for each of the modules offered at MITC will be assessed by means of 3 coursework assignments of up to 3,200 words which have to be taken with the CII - UK directly

**Completion** - To achieve the ACII Advanced Diploma, students need to achieve a minimum of 290 CII credits.

**Price:** €550 per module  
**Early bird price €475 per module**

Express your interest by 31 December 2023 to benefit from the early bird discount. Each module will run subject to having a sufficient number of participants.
